August 2020 | Stronger Than my Father News

Reopening Updates

Hope Leadership Academy will be reopening on August 10, 2020. We will be providing all day child care for students K - 5th grade. It is our goal to provide a safe and healthy environment for your child until school reopens. For more information, please call the office or send us an email.

A Message from our Executive Director, Marcus Meneese

I appreciate all of the families that we are able to serve in the Antioch community. HLA is one of a few programs that will be providing all day care for school age students during the MNPS virtual school mandate.

We are looking for donors that can make pledges to assist in providing funds for our programs. Please click the donate button above if you can pledge a monthly donation or if you desire to make a one time donation to our program. Also please check out my new blog, The Marcus Minute, on our website. Thank you.

-Marcus

COVID Procedures

We have established cleaning procedures to

ensure that your child is safe with us at HLA. We will be wiping tables down 3 times a day and practice social distancing as best we can. We will also be hiring more teachers so that we can have smaller groups of children in classrooms. If you have questions, please call the office or send us an email and we will be happy to answer them for you.
