A Day of Thanks and Community Meal Event

- On Nov. 26, we served 200 people in the Nashville and Antioch communities by providing **free meals** for Thanksgiving. Families were able to get a meal with smoked turkey, 3 sides, bread, dessert, and a drink drive through style.
- We are very grateful for the support of donations and volunteers to make this event possible!! Your support is invaluable to us.
- Also we would like to say thank you to all of the families that participated and picked up a meal. We hope that your family enjoyed the meal and felt loved on Thanksgiving.

God is so amazing!!

When I look back on 2020, all I can say is wow what a year. God has truly blessed Stronger than My Father to continue to operate and impact students through our virtual school and before and after-school program. Through our family life program, we were able to bless 200 people with a warm thanksgiving meal.

2020 has been a crazy year, but I'm truly thankful that Stronger than My Father is still blessing lives and I look forward to blessing more in 2021. I would like to thank every donor who sowed a seed into Stronger than My Father in 2020.

~Marcus

We would like to encourage you to donate to our program. Your donation allows us to support students and families in Antioch daily. If you are able, please consider making one last online donation for 2020.

COVID Procedures

We have established cleaning procedures to ensure that your child is safe with us at HLA. We will be wiping tables down 3 times a day and practice social distancing as best we can. We will also be hiring more teachers so that we can have smaller groups of children in classrooms. If you have questions, please call the office or send us an email and we will be happy to answer them for you.
