Hope Leadership Academy Afterschool Program

In January, we celebrated Dr. King's legacy with HLA students. We want our students to know the power of making a difference by serving

others.

Elementary students returned to school in person this past week and older students will be returning within the next few weeks. We are here to

support families who choose to have their students return in person and for those that choose to continue going virtually.

Executive Director Corner: Marcus Meneese

Looking back on 2020, I can't help but be thankful. Stronger than My Father is fortunate to have so many passionate partners and collaborators that believe in the value of quality afterschool. Our team

does incredible work each day to ensure students are safe and have access to quality programs. Our board and advisory council remain engaged and provide extraordinary leadership. And, of course, our donors and sponsors continue to provide the very generous support that makes our work possible.

Thank you for being part of the Stronger than My Father family. We look forward to doing more great things together in 2021.
