Stronger Than My Father is excited to announce that we are partnering with Fran Bish, Metro School Board Member, to collect backpacks and school supplies and give them away to kids in our community at a Back to School Celebration on July 31st at the Southeast Community Center in Antioch, TN.

This year our goal is to give away 1000+ backpacks and school supplies to Pre K - 12th grade students!

In addition, the event will have vendors, food trucks, Disney characters, games, activities and more! We anticipate between 1500 - 3000 people to attend.

Studies show that children having school supplies of their own can improve grades, creativity, attitudes towards learning, behavior, peer relationships and self-image.

Be a part of making a positive impact on kids in our community and help give them the tools they need to begin the school year school-ready!
